

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

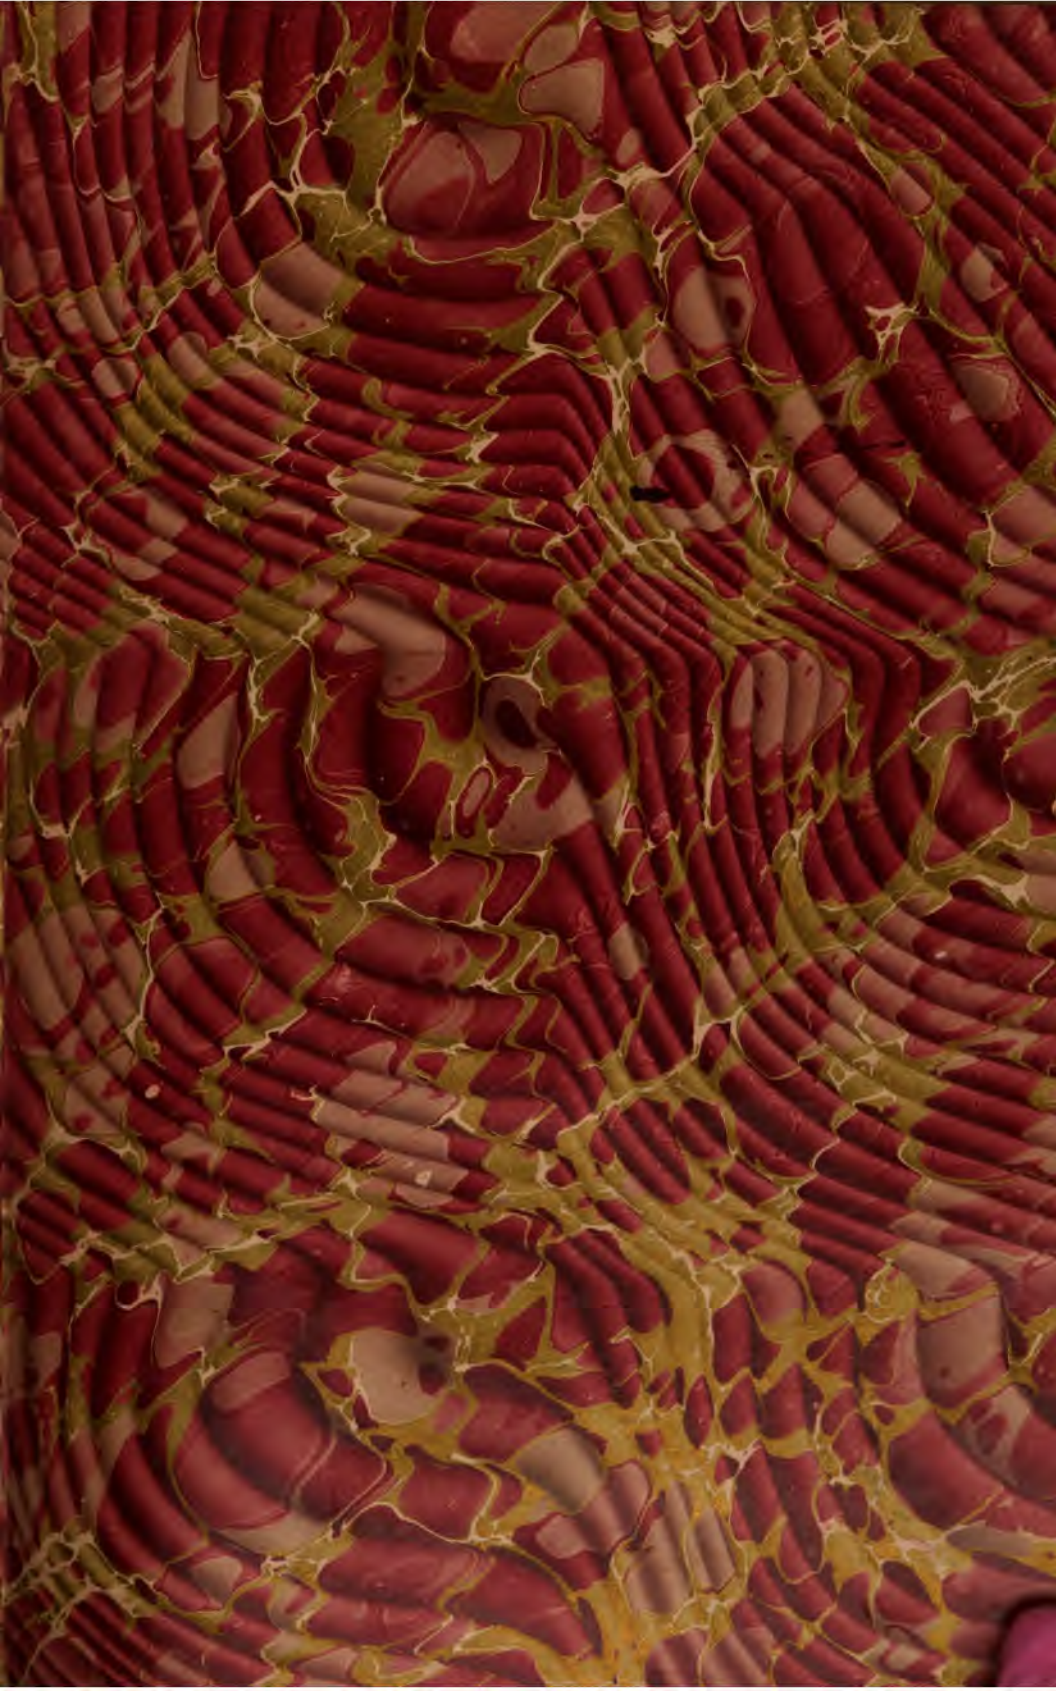

About Google Book Search

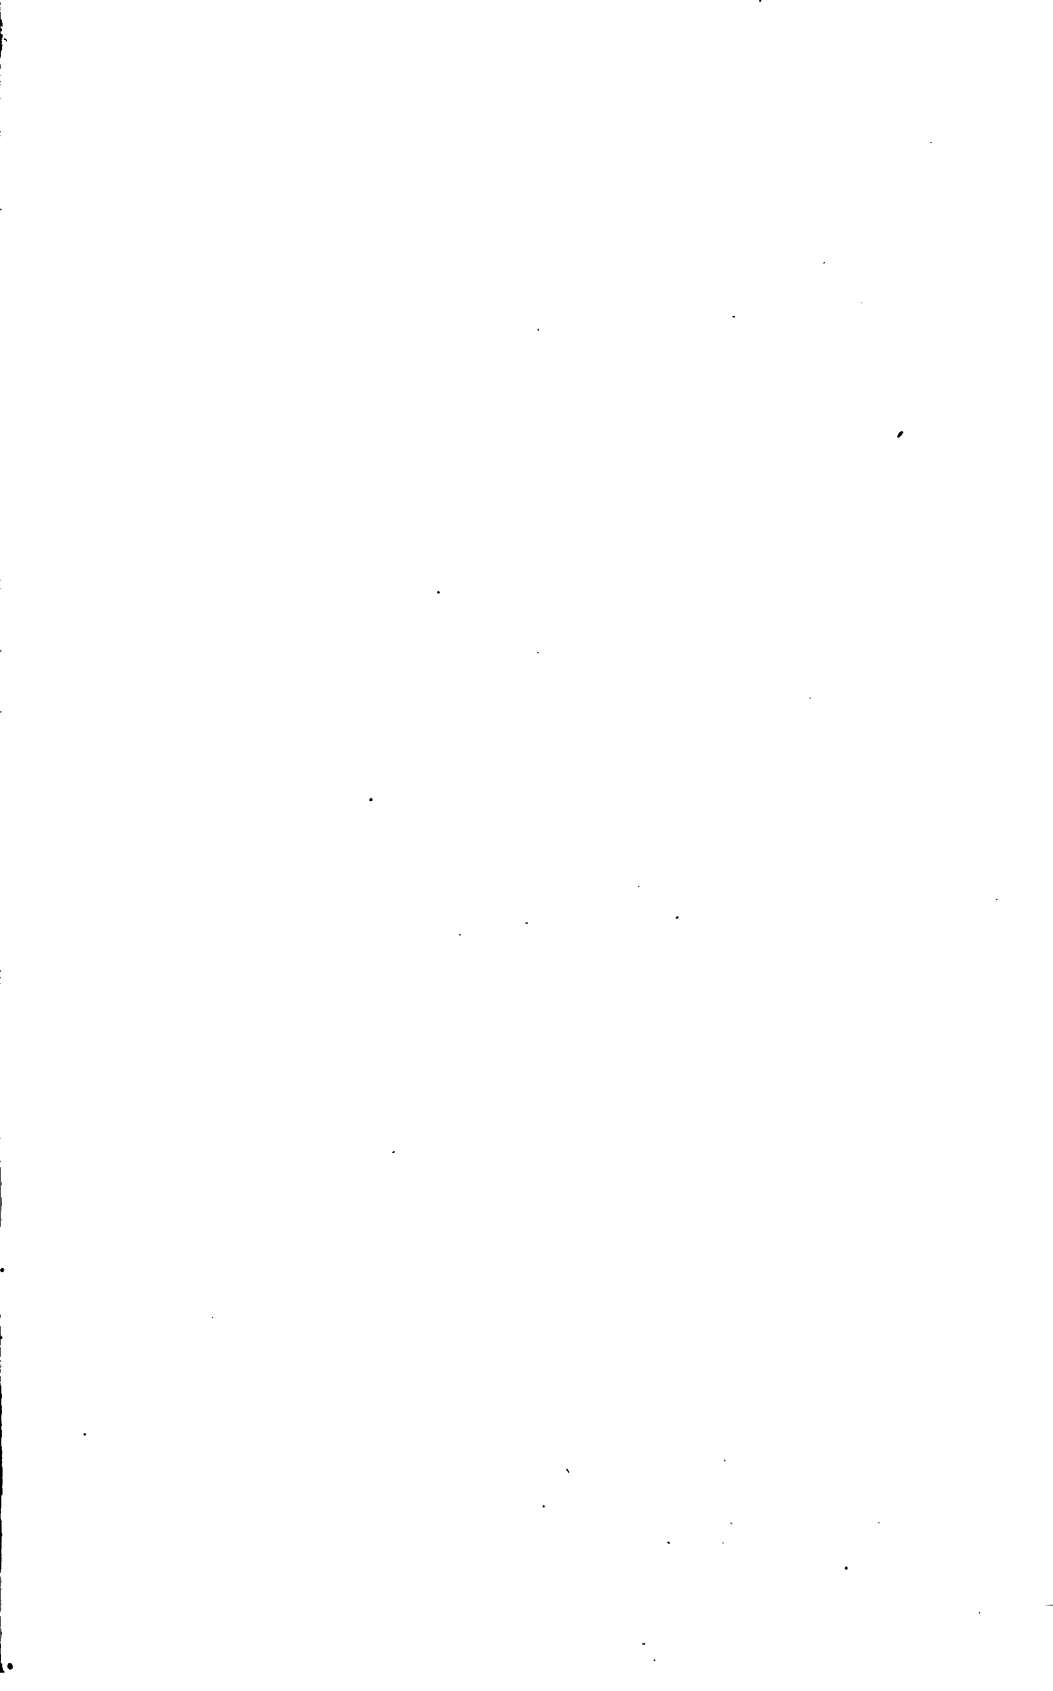

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

INTRODUCTION.

OVERCHURCH PARISH, the only township of which is Upton, is situated about the centre of the lower mediety of the Hundred of Wirral in the County of Chester. The town of Upton is three and three quarter miles from the River Mersey on the east and the River Dee on the west, and two and a half miles from the Irish Sea on the north.

Though early records are singularly silent as to this Parish, there can be no doubt that a Church existed here at a very early date. In 1887, while the little temporary Church was being pulled down, which had been built in 1813 largely out of the materials of the original edifice, a stone bearing a runic inscription was discovered. The inscription which is not quite complete is said to read :

FOLC ARAERDON BEKUN BIDDATH FORE AETHELMUND.
The people raised the monument pray for Aethelmund.

At the same time some scraps of worked stones were found which had formed part of the original church, and these showed that a portion at all events had been very good Norman work.

No Church is mentioned in Domesday, though the township is dealt with, while Overchurch, together with Thurstaston and Eastham, are omitted from the Taxation of Pope Nicholas in 1288-91, and no institutions occur at Lichfield.

The Rectory appears to have been the property of the Abbey of St. Werburgh for some time prior to the Dissolution of the Religious Houses. On the founding of the See of Chester the Rectory was granted to the Dean and Chapter, but by an unfortunate omission in the final wording of the Charter, it was lost to the See, and passed into the possession of the family of the Stanleys of Hooton, who held it until the present century.

In consequence of the absence of Institutions to the living, at the Diocesan Registry, it is extremely difficult to compile a list of the Incumbents, but the following will be found fairly complete.

THOMAS BENNETT, from *ante* 1542 to *post* 1565.
Vide Clergy List 1541-2, *Irvine* Vol. xxxiii, Rec. Soc. Lanc. and Chesh., and manuscript Clergy Lists at Chester Diocesan Registry. He witnessed the will of Robert Radcliffe of Greasby, 10 October 1569.

The will of Margery Bold, of Upton, dated 9 June 1570, was witnessed by a John Baylie, cler., who may have been the successor of Thomas Bennett.

PETER WILKINSON, from *ante* 1598 to *post* 1598.
 Presented to the Bishop 7 September 1598 for not being licensed and not keeping the Register Book properly. *Vide* Wirral Notes and Queries, *Sanders and Irvine*, Vol. ii., p. 81.

GILBERT DOBBS, from *ante* 1600 to *post* 1600.
Vide Parish Register p. 1. Matriculated B.N.C. 14 Oct. 1597, aged 18, son of of Co. Chester, pleb. *Foster's Alumni Oxoniensis*.

JOHN COOPER, from *ante* 1609 to *post* 1609.
Vide Parish Register, p. 1.

PETER BARKER, from *ante* 1610 to *post* 1625.
 Signs Parish Register, 1610 to 1625, probably continued till his death in 1630. He also held the curacies of Bromborough and Bebington. *Vide* Bebington Parish Register, *Sanders and Irvine*, p. 165.

RICHARD RUNCORN, from *ante* 1634 to *post* 1636.
Vide Parish Register, p. 5. He appears to have officiated at Bidston about this time. *Vide* Bidston Parish Register, *Irvine* p. iv.

HENRY HATTON, from *ante* 1648 to *post* 1648.
 He was Curate at Woodchurch in 1643. *Vide* will of Rev. Rich. Sherlock, 1643. Signed Cheshire Attestation as Minister of Overchurch, 1648. *Vide* Nonconformity in Cheshire, *Urwick*, p. xxvii.

HUGH BURCHES, from 7 Sept. 1670 to *post* 1701.
 He was the son of the Rev. George Burches, Rector of Woodchurch, by his wife Margaret, daughter and heiress of Richard Adams of Liverpool, merchant. He was baptized at Woodchurch 8 August, 1644 and married Mary, daughter of Leftwich Oldfield of Leftwich, Esq. by Mary, daughter of Thos. Oroxton of Ravenscroft. (Harl. MSS., 2153, f. 115). Ordained Deacon, 24 July 1669, by Henry, Bishop of Meath and Priest by the Bishop of Sodor and Man, 1673. B.A. 1674. Curate of Bidston from *ante* 1668 to *post* 1671, Rector of Woodchurch, 1673 until his death in 1703.

ROBERT JANNY, from *ante* 1705 to *post* 1716.
 Son of Robert Janny, clerk, admitted sizar at St. Johns' College, Cambridge, 27 June 1656, aged 18, born at Timperley in Bowden Parish and bred at Dronfield (See *Chesh. Sheaf.* Vol II., Ser. III., p. 111, *Sanders and Irvine*). He was presented to Woodchurch by

George Burches the patron 1704 and deprived (reason not stated) in 1705. In the 1705-9-12 and 16 Visitations (MSS. Bishop's Registry) he appears as Curate of Overchurch. In the 1716 Visitation he is stated to be 80 years old, and in this year a Thomas Turner is said to be Schoolmaster at Overchurch.

ROBERT DANSON, from *ante* 1723 to *post* 1729.

Vide Parish Register, pp. 12-15. Probably also Schoolmaster at Woodchurch. A Robert Danson was Vicar of Backford from 1720 to 1750, and a Robert Denson was Curate of Wallasey, 1719-20.

RICHARD SMITH, from 1730 to 1737.

Vide Parish Register, p. 15-17. Also Curate and Schoolmaster at Woodchurch.

GEORGE HODSON, from 1737 to 1757.

Vide Parish Register, p. 18-24. Appointed 11 Dec. 1744 (though he seems to have served the cure for some years previous to this) by Sir Rowland Stanley of Hooton, Bt. (MSS. Bishops Reg. Chester). He was a son of the Rev. John Hodson, Rector of Thurstaston (1705-52) and was Curate of West Kirby from 1726 to 1758.

GEORGE SMITH, L.L.B., from 1759 to 1774.

Appointed 21 Feb. 1759 by John Oxton of Hooton, gent., on occasion of death of George Hodson the last Incumbent. Letters testimonial from John Crookhall, Rector of Woodchurch, Simon Jacson, Rector of Bebington, and James Adams, Curate of Bebington. (MSS. Bishop's Reg. Chester). He seems also to have been Curate at Woodchurch; he died Feb. 11, 1775, aged 42, M.I. at Woodchurch.

THOMAS DAWSON, from 1775 to 1777.

Appointed 20 October 1775, on the death of Geo. Smith the last Incumbent. Letters testimonial from Simon Jacson, Rector of Bebington, Bryan King, Curate of Bidston, Wm. Robinson, Curate of West Kirby, dated 11 Oct. 1775, in which he is described as Thos. Dawson of Thurstaston. Resigned 11 July, 1777. (MSS. Bishop's Reg. Chester).

ROGER JACSON, from 1778 to 1825.

Appointed 15 July 1777, by Simon Jacson of Stockport on the vacancy, owing to resignation of Thomas Dawson, last Incumbent. During this period the church was served by Curates from local parishes, especially by Rev. Shallcross Jacson (son of Roger Jacson) 1781-4 and Rev. Edward Newton, Curate of West Kirby, from 1787 to 1822. Among the Episcopal papers at Chester is a letter from the Rev. Roger Jacson, dated Feb. 1807, stating that his non-residence at Overchurch is due to his residence at Bebington where he is Rector.

ROBERT MOSLEY FELDEN, from 1826 to 1831.

Appointed 5 Aug. 1826, on death of Roger Jacson, last Vicar.

Presented by Robert Feilden, Esqre. of Mollington. During this period the Church was served by Curates appointed by Mr. Feilden, Rev. Peter Wilson 1828, Rev. Wm. Clemison 1829, and Rev. Charles Sanderson. Mr. Feilden was also Rector of Bebington.

FREDERICK BARKER, from 1832 to 1837.

Appointed 11 April 1832, by William Webster, Esq., on resignation of Mr. Fielden. Mr. Barker was the son of the Rev. John Barker and Jane his wife, and was baptized at Baslow in Derbyshire, 17 March 1808. Of Jesus Coll., Cambridge, afterwards Bishop of Sydney, Metropolitan of Australia. During his incumbency the Rev. J. G. Longueville (subsequently Rector of Eccleston, Co. Chester) acted as Curate.

MAXWELL SHAYRE, from 1838 to 1840.

Appointed 7 June 1838, on presentation of William Webster of Upton Hall, on resignation of Mr. Barker.

JOHN HULLETT, from 1840 to 1841.

Appointed 6 June 1840, on presentation of William Webster of Upton Hall, on resignation of Mr. Shayre.

JOHN GREGSON, from 1842 to 1846.

Appointed 18 January 1842, on presentation of William Webster of Upton Hall, on resignation of Mr. Hullett. Probably eldest son of John Down Gregson of Liverpool. Matriculated B.N.O. 30 May, 1834 aged 17, B.A. 1838, M.A. 1841; of Castle Priory Berks., J.P., died 24 June, 1859.

OFFLEY CREWE, from 1846 to 1847.

Appointed 28 Nov. 1846, on presentation of William Webster of Upton Hall, on resignation of Mr. Gregson. Eldest son of Willoughby Crewe of Warmingham, Co. Chester, Clerk. Mat. Merton, 6 Dec. 1838, aged 18, B.A. 1842, M.A. 1845. Resigned 1 Aug. 1847.

THOMAS BELL, from 1847 to 1856.

Appointed 9 Dec. 1847, on presentation of William Webster of Upton Hall, on resignation of Mr. Crewe.

JOHN JAMES MOSS, from 1856 to 1862.

Appointed 16 May 1856, on presentation of John Moss of Liverpool, Esq., on resignation of Mr. Bell. Letters testimonial, dated 24 May 1856, from Rev. Thos. Nolan, Vicar of Acton, Rev. Hugh Mc Neile, D.D., Incumbent of St. Paul's, Princes Park, Liverpool, and Rev. John Gibson, Incumbent of Garston. Resigned 25 Feb. 1862.

JOHNSTON HAMILTON AGHESON, from 1862 to 1873.

Appointed 17 March 1862, on presentation of Rev. J. J. Moss, patron, on resignation of Mr. Moss; M.A., of Trinity Coll., Dublin. Ord. Deacon 1860, Priest 1862.

EDWARD DITCHER WARD, present Vicar.
Appointed 24 July 1873, on presentation of Wm. Inman of Upton Manor, on resignation of Mr. Acheson; M.A., of St. John's College, Cambridge, of which College he was a Scholar and Wrangler. Ordained Deacon 1849, and Priest 1850, by Archbishop of Canterbury.

The Parish Registers now at Upton only begin in 1762, but a search in the Bishops Registry at Chester has furnished the Transcripts for seventy-one earlier years. The first of these is for the year 1600, and throughout the following century 31 transcripts occur; while from 1700 to 1762 there are transcripts for 40 years.

The existing Parish Registers previous to 1812 are contained in one volume, on parchment, bound in undressed calf, the size of the pages average 14 inches by 10, and the number of leaves is 23.

The editor's warm thanks are due to the Rev. E. D. Ward, for all the kind help he has afforded in the work, as well as to John Gamon Esq. the Diocesan Registrar for permission to copy the Bishops Transcripts, and to Mr. W. H. Price (the Clerk at the Registry) for his ever ready and courteous assistance.

Birkenhead,

WM. FERGUSSON IRVINE.

Oberchurch Registers.

—o—

A regester of the Christnings, weddings, and burials which have beene wthin the parish of Ourechurch [in] the yeare of our lord 1600.

ERRATUM.

Page 11, line 8 for John Meannage read John Chrannage.

This book should be returned to
the Library on or before the last date
stamped below.

A fine of five cents a day is incurred
by retaining it beyond the specified
time.

Please return promptly.

The background of the entire image is a marbled paper pattern, likely used for book covers. It features a complex, organic design with swirling, cell-like shapes in various shades of deep red, burgundy, and brown, all set against a lighter, yellowish-gold background. The pattern is dense and covers the entire visible area.
